

Buckles are VERY strong in Safety and Recognition programs for:

- Freight & Transportation
- Heavy Equipment
- Oil & Drilling
- Unions....who demand "USA-Made"
- Agri-business
- Construction
- Utilities

And they're great promo gifts for:

- Beer branding
- Sports branding
- ALL blue collar industries
- Military battalions
- Hunting & Fishing

"Standard" buckles are sized at 3.25", but we can go as small as 2.5" for a ladies' version buckle or up to 4" for a western style buckle. Sizing below is a guideline.

All buckles feature detailed, raised relief on the front and short, etched copy on the reverse. Shape and complexity don't factor into your tooling or unit cost!

Options (P)

- Antique pewter finish @ N/C
- 24K Gold finish @ \$16.00
- Antique brass lacquer finish @ \$1.50
- Antique copper plate @ \$4.40
